Trumpington Street	Both	06:00	14:00
Victoria Avenue	Both	04:00	17:00
Wheeler Street	Both	04:00	17:00

Dear Sir / Madam,

On Sunday 3 March 2024, the TTP Cambridge Half Marathon takes its place in Cambridge's annual events calendar. The event, now in its 13th year, will see 12,000+ runners taking to the streets of Cambridge, visiting four iconic Colleges along the way.

The aim of this letter is to:

- Inform you of the road closures that will be in place on the day
- Provide you with some specific information regarding the roads surrounding your property
- Direct you, via the QR code on the front cover, to a comprehensive Traffic Information Document

As in previous years, the event will start and finish on Victoria Avenue, with Midsummer Common acting as the 'event village'. Certain access points through the Common will be restricted in the days leading up to and during the event, to allow delivery vehicles to come onto/leave the Common safely. The running route itself can be viewed at www.cambridgehalfmarathon.com or by scanning the QR code.

The runners will head North-bound on Elizabeth Way and West-bound on Milton Road. Access to / egress from West Chesterton / De Freville When they reach Mitcham's Corner they will then head East-bound on Chesterton Road, back towards Elizabeth Way before U-turning at the De Freville Road junction. This section of Chesterton Road, between Mitcham's Corner & Elizabeth Way, will be closed in both directions between 08:00 and 11:30.

Between 08:00 and 11:30 Milton Road will also be closed West-bound between the A1134 Highworth Avenue roundabout and Mitcham's Corner and East-bound between Gilbert Road to Ascham Road, diversions will be signed on the day and can be viewed in our online traffic document. Residents will be able to exit onto both Milton Road and Chesterton Road until 09:15. Between 09:15 and 11:30, the runners will be extremely dense on this section of the route, so it will not be possible to pass through. We strongly recommend travelling outside these times.

Please note that road closures apply to both vehicles and cycles, but pavements in the local area will remain open throughout the event.

We are very aware of the ongoing road works on and around Milton Road and are in regular contact with the contractor to see what stage they will be at, come March 3. We appreciate you are already dealing with a significant level of disruption, so would like to apologise for contributing to this.

We thank you for your support of this event which will be enjoyed by many Cambridgeshire residents and raise much needed funds for multiple charities.

Kind Regards,

OSB Events, organisers of the TTP Cambridge Half Marathon
