

# TOILETS

There will be a large number of toilets & urinals available on Midsummer Common and a small number in each Start Gate. You will also pass toilets at all 4 drink stations and as you enter the village of Grantchester on your way round the course. The permanent toilet blocks in Jesus Green, Midsummer Common and on Chesterton Road will also be available on the morning of the event.

Please respect the local community and families by NOT urinating along the route, you are never far from a toilet. It counts as public indecency and YOU WILL BE DISQUALIFIED if reported to us.
