

RACE PACK POSTAGE & COLLECTION

When you entered, you will have opted to either have your pack posted or collect your pack so that you have it ahead of race day. If you paid for your race pack to be posted these will be posted out, with the final batch being sent on the 22 February, except for overseas and Non-mainland UK addresses (see below) and those who opted to collect their race pack.

Enclosed within your race pack you should find:

- Race Number with Timing Chip attached
- Bag Storage Tag
- Park & Ride Token (if purchased before 30 January)

If you haven't received your race pack by the 1 March please visit the Enquiries marquee on either Friday 3 or Saturday 4 March between times shown for pack pick up collection. **Please note, no packs will be issued on race day.**

RACE PACK POSTAGE & COLLECTION

Pack collections can only be made during the times below.
THERE WILL BE NO RACE PACK COLLECTION ON THE MORNING OF THE RACE.

Please note to collect your pack you must bring photo ID (photocopies or a photo on your phone are acceptable) and your Let's Do This Entry Confirmation. It is possible to have someone collect your race pack for you, if you can no longer make it, but you must email their details to info@cambridgehalfmarathon.com and they must bring a copy of our reply email and your photo ID with them. Again photos are fine.

In 2023 those who selected to collect your race pack will have two options to choose from:
