

# ***TOILETS***

There will be a large number of toilets and urinals available on Midsummer Common and a small number just outside the Start Gates. You will also pass toilets at all 4 drink stations, and as you enter the village of Grantchester, on your way round the course. There will be Women Only toilets at each toilet site and there will be designated toilets with period products, which will have signs on the door.

The permanent toilet blocks in Jesus Green, Midsummer Common and on Chesterton Road will also be available on the morning of the event.

**Please respect the local community and families by NOT urinating along the route, you are never far from a toilet. It counts as public indecency and YOU WILL BE DISQUALIFIED if reported to us.**
