Dear Sir / Madam,

On Sunday 9 March 2025, the TTP Cambridge Half Marathon takes its place in Cambridge's annual events calendar. The event, now in its 14th year, will see 12,000+ runners taking to the streets of Cambridge, visiting four iconic Colleges along the way.

The aim of this letter is to:

- Inform you of the road closures that will be in place on the day
- Provide you with some specific information regarding the roads surrounding your property
- Direct you, via the QR code on the front cover, to a comprehensive Traffic Information Document

As in previous years, the event will start and finish on Victoria Avenue, with Midsummer Common acting as the 'event village'. Certain access points through the Common will be restricted in the days leading up to and during the event, to allow delivery vehicles to come onto/leave the Common safely. The running route itself can be viewed at [www.cambridgehalfmarathon.com](http://www.cambridgehalfmarathon.com) or by scanning the QR code.

Any vehicles looking to exit the Grange Road area will only be able to do so via Madingley Road. Access out of the City along Barton Road will not be possible between 06:00 and 13:00. Any vehicles attempting to access the City Centre will be diverted around the ring road in a clockwise direction.

We will only be able to allow you to exit / gain access when it is safe, so please be patient with our stewards and consider allowing additional time for your journey.

The majority of pavements will remain open on the day of the event, however, access will not be permitted over Garret Hostel Bridge between 09:15 and 11:30. During this time, please use Silver Street and take extra care whilst runners are on the course.

Please note that road closures apply to both vehicles and cycles. As organisers we appreciate that the road closures may cause inconvenience, for which we apologise. We thank you for your support of this event which will be enjoyed by many Cambridgeshire residents and raise much needed funds for multiple charities.
